NEWS OF GENERAL INTEREST IN IDAHO

Important Occurrences Of The Past Week From Cities In Our State

Candidates File Cost Accounts.
Coeur d'Alene.—Recent filings of campaign expense accounts indicate that it cost B. E. Nason, the socialist candidate for state representative, 24 cents for postage and S. A. Herrington, socialist candidate for state senate, \$2.50. Other affidavits were filed as follows: Judge R. N. Dunn, non-partisan candidate for district judgeship, \$150.80; James H. Frazier, democratic candidate for state senator, \$56.50; V. W. Sander, republican candidate for assessor, \$124.85; George D. Wright, republican candidate for auditor, \$183.90; J. F. Heritage of St. Maries, republican candidate for assessor, \$99.95.

Prune Crop Is Good.
Meridian.—The harvest of the 1914 prune crop of the Boise valley is now at its height, and it is estimated that fully 60 per cent of the prunes of this section have been packed and loaded for movement.

Boise valley prune growers in general are realizing a yield this season greatly in excess of their pre-harvest anticipations. While thinner than usual, the fruit is reported to be larger and of better quality than in all previous years. As a result the prune crop of the valley, at first reported short, will be the largest in the history of this section. Better prices also prevail.

New Hospital at Pocatello.
Pocatello.—It is planned by the Catholics to erect a \$30,000 hospital on the east side of the city, immediately adjoining the church on that side of town.

Sisters of Mary were here from Salt Lake to confer with the local authorities and Father Baudozoni and P. C. O'Malley have gone to Boise to take the matter up with the bishop of this diocese, and the prospects are exceptionally good for the construction of a most substantial building of three stories, the plans having been approved and the matter of financing the project being now the only item under consideration.

FISH CAR PLANTS MANY FRY

Eight Million Young Fish For Idaho Rivers.
Lewiston.—The fish car of the state game department, which has been in this district for the past month, has returned to the southern part of the state. On this trip the car has transported for planting 2,500,000 fry, bringing the total for the season, placed in the streams of the north, to 4,000,000. This is the first year in several that the streams of the north have been replenished and the game department is well satisfied with its work. When the car reaches the southern part of the state it will distribute 500,000 young fish to the streams near Weiser, Silver City, Mountain Home, American Falls, Downey, Burley, Hill City and Ketchum. The car will operate from the Hay Spur hatchery, and will complete this year's work when 4,000,000 young fry have been distributed in the south, making a total of 8,000,000 for the state.

7700 Sheep Sent East.
Grangeville.—What is said to have been the largest shipment of livestock ever sent from the Idaho county section, left Grangeville billed to Chicago. The shipment comprises a total of 24 carloads of sheep, approximately 7700 head in all. More than \$23,000 is involved in the deal.

The train will go direct to Chicago via the Northern Pacific railway to St. Paul, thence via the Burlington route.

Invade Loop Towns.
Nampa.—Representatives of all Nampa business houses and numerous other loyal citizens—a real multitude of boosters—visited the towns on the Interurban loop Friday on a big publicity campaign in behalf of Nampa's annual harvest festival, September 23, 24 and 25.

The Nampa festival committee chartered three special cars of the Idaho Traction Company for the occasion.

Night Officer Dropped.
Wardner.—The services of a night police officer in Wardner have been dispensed with, Mayor B. Flaig issuing the order. The cause of the abolition of the office is to reduce the city's expense, according to Mayor Flaig.

C. F. Stamm of Kootenai swore out a warrant against his wife, accusing her of disorderly conduct, and she promptly swore out a warrant against her husband, charging disorderly conduct. She is in the county jail and the officers are looking for the husband.

SHE GAVE UP ALL HOPE

Physicians Failed To Help Mrs. Green, But She Finally Found Relief In Cardul.

Meetze, Va.—Mrs. J. C. Green of this place, says: "I suffered with womanly troubles so that I could hardly sit up. Two of the best doctors in our town treated me, and I tried different medicines, until I gave up all hope of ever getting well.

One day, I decided to try some Cardul. It did so much for me that I ordered some more, and it cured me! Today, I feel as well as I ever did in my life.

The pains and the trouble are all gone. I feel like another person in every way. I wish every sufferer could know what Cardul will do for sick women."

A few doses of Cardul at the right time, will save many a big doctor bill, by preventing serious sickness.

It tones up the nervous system, and helps make pale cheeks fresh and rosy. Thousands of weak women have been restored to health and happiness by using Cardul. Suppose you try it. It may be just the medicine you need.

FISHING BOATS ARE SUNK

15 British Boats Destroyed in North Sea and Sailors Seized.

London.—The official information bureau announced a German squadron had sunk 15 British fishing boats in the North Sea.

The Admiralty issued the following: "The German cruisers and four destroyers succeeded in sinking 15 British fishing boats in the North Sea. They captured a quantity of fish, and the fishermen were taken to Wilhelmshaven as prisoners of war."

How the German fleet escaped the British war fleet which had previously reported that the seas were safe to British and neutral shipping, is not yet known. The admiralty had announced that the seas were now safe and had permitted the resumption of shipping between Antwerp, the Dutch and Scandinavian ports and Harwich.

President Wilson Foregoes Tour.

WRITERS DENY ATROCITIES

American Authors Say Charges Not Confirmed Against Germans.

New York.—The Associated Press

has received by wireless from Berlin a message, which was sent from Aix la Chapelle to Berlin for transmission. The authors, all of whom are well-known American newspaper men, Roger Lewis, The Associated Press; Irvin S. Cobb, Saturday Evening Post and Philadelphia Public Ledger; Harry Hanson, Chicago Daily News; James O'Donnell Bennett and John T. McCutcheon, Chicago Tribune, were originally assigned to Brussels, and when that city was taken they were returned to Aix la Chapelle. The telegram was partly mutilated by interference and certain words are missing, but the text here given in part is clearly that intended by the authors:

"In spirit we unite in rendering (sic) German atrocities groundless as far as we are able to learn.

"After spending two weeks with and accompanying the troops upward of 100 miles we are unable to report a single instance unprovoked. We are also unable to confirm rumors of mistreatment of prisoners or of non-combatants with the German columns. This is true of Louvain, Brussels, Lunenburg and Nancy, while in Prussian hands. We visited Chateau Soudre, Sambre and Beaumont without substantiating a single wanton brutality. Numerous investigated rumors proved groundless. Everywhere we have seen Germans paying for purchases and respecting property rights as well as according civilians every consideration."
